

PIC/D-41/60  
30 March 1960

MEMORANDUM FOR: Chief, Coordination Control Staff

SUBJECT: PIC "Sanitization" Function

1. Pursuant to my discussion with you on 29 March concerning the role of the Center in "sanitization" and a similar discussion with [redacted] I would like to have you prepare a detailed description of this function as it has been provided for variously within the Center. Please also describe the initiation phase leading to our receipt of a given work or coordination requirement, dealings with DD/P, O/O, etc. and final disposition of the product(s). A proposal concerning the future handling of "sanitization" matters including a staffing estimate should complete your paper.

25X1

2. I would suggest that your reply to this memorandum be reviewed by [redacted] in order that any suggestions or details they might wish to see added might be incorporated in your run-out of the activity.

25X1

3. If you need any further clarification of this request, do not hesitate to check with me.
